MARCH WAS MARVELOUS!

Dear *Voluptuous*,

I just got your March 2008 issue yesterday and must say it is the best I have seen in quite some time.

Let me start by praising the new models in that issue. The only thing I can say about new Central American model, Diana, is DAMN! What a set of knockers she has! I know it's asking too much to have more women like her in every issue, but she's the kind of model who has made *Voluptuous* the best big-tit magazine in the world. Please have her, and women like her, in your magazine more often.

Mandy Mason is the kind of round and soft cutie I would love to cuddle up with. Sure, she's a fine

plumper and that's one of the things I like best about her. She's a big girl with the confidence to take her clothes off for a men's magazine. That makes her even more sexy to me.

I have never fucked a black girl, yet, but if I ever have the opportunity I hope it's with one as gorgeous as Simone Lee. I can't think of a single thing I would do to make her better. Maybe wish her right into my bed. She has it all, except my dick inside of her.

Slone Ryder is the hottest newcomer you've had since April McKenzie. I hope Slone is on the ballot for Newcomer of the Year the next time around, because she'll get my vote and thousands more, I'm sure. I live in Indiana, so when I read that she dances at a club in Kentucky, I started making vacation plans to go see her in the flesh. That's how serious I am about her. I hope to meet her and get an autograph and maybe even a lap dance. She's only a few hours drive away from me.

Along with four great new girls, the rest of the issue was a knockout, too. I've always liked Bozena, and her photos outdoors in the convertible car were fantastic! It's great when you show your women out in the real world instead of always in some fake-looking studio.

Paola Rios is another one of your great discoveries of the past several

Miranda is a hot Italian who advances her country's reputation for horniness.

months and I was thrilled to see her back in *Voluptuous* again. I generally like the plumper girls, like Mandy Mason, but what's not to like about a beauty like Paola? I don't limit my standards to just one body type or race or whatever. I love big tits and they come on all kinds of girls.

Speaking of big tits, Kerry Marie is legendary and there's no wonder why. She may not have the biggest tits in the world, but she may just have the most perfect. When it comes to shape and symmetry, mouthwatering nipples and everything a great set of jugs needs, Kerry Marie has all that and more. She also seems to be a very sweet girl, not stuck up or bitchy. I've enjoyed her pictures for years.

I'll wrap up this letter by giving thanks and praise to the March issue's Xtra section. Miranda is just the kind of woman I like, and seeing her sucking and fucking a cock makes my own swell up and demand attention. My hat is off to the lucky dude who got to stick his dick into her. I wish it

March '08 was boobarific, with (left to right) Mandy Mason, Simone Lee and new Central American mega super-titter Diana.

YES to the PLUMPERS, but a big NO to the PREGGOS

Dear *Voluptuous*,

I just purchased your March '08 issue at my corner store and I can't help but wonder why you run photos of naked, pregnant chicks! I think everyone has a right to their likes and dislikes, but do very many guys out there like to see pregnant women with their clothes off? It's a serious question, because I don't like it at all, so I can't imagine that very many other guys do.

On the other hand, I really like the plumper girls that you feature, like Mandy Mason in that same issue. My favorites include Samantha, Monique L'Amour, Reyna Mae, Redd Adaire and several other women who fit into the "plumper" category.

Another new favorite to add to that list is Diana, from that same issue. Talk about tits! Diana has enough for three women with some left over. She's a great discovery for you guys. People who criticize the heavier girls need to remember that a woman with big, natural tits is very likely to be at least a little bit plump all over her body. There's just not any getting around it.—M.G., Lexington, Kentucky

Opinions may vary, but it's a fact that Samantha and Annie Swanson are both hot.

could have been me! I can only imagine how great it would be to look down and watch Miranda's big tits wobble back and forth with every thrust of my cock into her tight pussy. Shit, I'm getting a hard-on just from writing about it.—C.B., Madison, Indiana

SALIVATING OVER SLONE

Dear *Voluptuous*,

I love how you mix up the models you have in your magazine. Some are

slimmer, some are more plump, some are students or housewives while others are strippers or even porn stars.

In the latter category comes Slone Ryder (March '08), whom you described as an exotic dancer. Man, she's hot! The best thing about her, though, is that she seemed to be really genuine and down to earth.

She said she has been a dancer for several years. I spend a lot of time in titty bars and it seems like most of the

women who have danced for any length of time become really cynical and cold-hearted. I guess that's only natural, but Slone didn't come across that way at all. She sounded like she still truly enjoys it and is always trying to come up with new ways to make it interesting for her audience and for herself.

I hope you have her back in *Voluptuous* as often as you can. I'll purchase every copy I see her in.

The rest of your March issue was great, too, but I keep going back to Slone's pictures.—S.P., via email

JACKING TO THE OLDIES

Dear *Voluptuous*,

In a culture and society where a premium is put on youth, beauty and slimness, I want to let it be known that some of the most attractive women in your magazine, and on this entire planet, are over 30!

A perfect example is your Xtra section in the February '08 issue, which featured two of my all-time favorites, Samantha and Aspen. The rest of that issue was pretty good, as I recall, but when it came to good jack material, I went back to the Xtra section time after time. The other models just could not compare to those two beauties.

Samantha has been my ultimate fantasy girl ever since I first saw her in *Voluptuous* several years ago. She's a

Slone Ryder's hot debut inspired many a hard-on among *V-mag* fans.

big, mature, sexy blonde with gigantic boobs and sexual enthusiasm and talent that most younger women just don't have. She has gotten more cumshots out of me than I can even remember. It was great to see her new photos. Even though I liked her a little better with longer hair, she still looks dynamite.

Same thing with Aspen. Samantha is my number one, but Aspen gets me up and jacking just about as good. I am a member at SCOREland.com and I go to the hardcore videos with Aspen (and, of course, Samantha) over and over. To anyone who hasn't discovered what a great deal SCOREland.com is, get with the program!

I'm not saying these two babes are old. They are barely into their 30s, but their sexy maturity puts them far ahead of most of your younger, less experienced girls.—J.B., Hamilton, Ohio

INTERESTED IN INTERVIEWS

Dear *Voluptuous*,

One of the things I like best about *Voluptuous*, other than the obvious choice of great, big-boobed women, is the interviews you print.

I have really enjoyed seeing Natalie Fiore and her awesome body in previous issues, but getting to know more about her personally through her interview (February '08) was special. Of

course, you also have plenty of pictures to go with the interviews, so it's the best of both worlds.

Every woman is a little bit different, but one thing I have noticed in Natalie's interview and with other models you have spoken with, is they tell us what it takes to meet them, get their attention and charm them. It's like getting superb advice about dating straight

XXX TIT SEX IS TERRIFIC!

Dear *Voluptuous*,

I almost always like your Xtra section and any other hardcore photos you manage to slip into your magazine, but your Video Pick for *Triple-X Tit Sex* (February '08) was so hot it prompted me to whip out the old credit card and give your ordering center a call. There aren't any adult stores within a reasonable distance from where I live, so having the convenience of telephone ordering is a wonderful thing.

The DVD arrived in just a few days and was even better than I had hoped for. The photos you put in the magazine are great, but nothing compares to seeing these women actually fucking before my very eyes.

Sunshine has got to be one of the best fuck bunnies you've ever had, and her scene in *Triple-X Tit Sex* was nothing short of phenomenal. Her tits are so big they almost look fake, but you can tell by the way they hang and how they sway when she's fucking that they are 100% real. Wow!

Aspen is another horny honey who has to be seen to be believed. I appreciate chicks with some meat on their bones, and Aspen is the kind of girl I'd like to fuck all night long. I read her interview in *Voluptuous* a few months ago (December '07), and she seems like a really nice, normal girl.

I just wanted to let you know how much I enjoy your magazine, and now your DVDs, too.—L.D., Adrian, Georgia

WHY ALL THE DEBATING?

Dear *Voluptuous*,

I have sent in letters that you have printed before, but it has been quite a while back. I am a faithful reader, but do not have a subscription. I actually like my monthly trip to the liquor store to pick up the latest *Voluptuous* and an adult beverage.

I have read the letters over the last several issues that argue the merits of various models and whether they are too thin to be in *Voluptuous*. I think guys who criticize slimmer girls like Christy Marks or Marilyn Sakova should open up their minds and expand their hori-

zons a bit. Too say that a certain girl is too thin to be in *Voluptuous* really limits just who should be allowed, doesn't it? Like some defenders of the slim-n-stacked girls say, as long as the tits are big it shouldn't matter much about the rest of her body.

If a girl is skinny and small-titted, there are other SCORE Group magazines they belong in, like *18eighteen* or

Naughty Neighbors. But if their tits are big and natural, this is the place for them to be.

Another topic I see discussed here is pussy hair. I fall into the category of guys who like some hair on a chick's coochie, but not a fucking jungle that you have to fight through to get to the pink. I love to eat pussy, but not if I have to dig through dense undergrowth to even find it. No thanks. Nicely trimmed pubes like on Samantha or Sabina Leigh are just perfect. I'd gladly give either one of them a thorough spit shine. The completely hairless look is equally disgusting to me.

As long as I'm getting a few important things off my chest, what about dildos in your photos? I'm all for it if the girl really uses them at home and enjoys them. I guess a girl can fake it and we would never know the difference, but I have always believed that the more genuine the models are when they are being photographed, the better the final results will be. So have the models do what is natural and feels right and you can't go wrong. You'll have a nice mix of girls with and without dildos and only those readers who are completely selfish will complain.—P.B., Boise, Idaho

Talkin' Tits Blog

Everyday musings by a big-tit connoisseur

By Gary Phillips

Thanks to the girls, for all those great mammaries!

Back by popular demand, it's the *Talkin' Tits Blog*!

You may have noticed a new name at the top of the column. *V-mag* editor Gary Phillips is now at the reins of the blog, as Dave Rosenbaum has his hands full with being a TV star on *SCOREtv* on our Web site Scoreland.com. You've seen it haven't you? If not, don't deny yourself the pleasure. It's a talk show all about big boobs (what else?) and lucky Dave plays host, interviewing some of the best big-boobers in the business. There's tons of informative and entertaining special features, too. Check it out! There's a new episode every month and older ones you've missed are archived.

As I pondered what to write about in my first installment of *Talkin' Tits*, my mind took me back through my lifetime as a lover of big boobs. Summer will officially be here soon and that brings back memories of a more carefree time in my life. I grew up in a small town and when I was 12 years old, a new community swimming pool opened. I didn't live very far from the pool, so my parents bought a season pass for me and I made the most of it by going just about every single day. It was fun, a lot of my friends were there, it was cool on those hot summer days...and the place was packed full of big boobs! I was in tit heaven!

Most of the lifeguards there were high school students or were home from college for the summer and at least half of them were chicks. Hot chicks, as I recall, with *V-mag* quality racks. Okay, maybe they weren't ALL model-quality babes, but these are my memories and I'll play them through my mind any way I want to. What I do remember is one lifeguard in particular, and I swear my memory is clear when I think about her and her bountiful bosom. Her name was Debbie or Diane or Denise. Hell, it doesn't matter now and it didn't matter even then. She had big tits and she was in a

Big tits can be life-saving devices!

swimsuit and I spent many an hour staring at her that summer. That's what really mattered to me. Whatever lifeguard stand she was on, I would always strategically position myself for the best view of her jugs. That was always in the pool, because I didn't want everyone to see the tent pole she was pitching in

The world's best tits?

As any fan of *V-mag* can see, we find beautiful, big-titted models all around the world. They're from the United States, England, Eastern Europe, Australia, South America...if there are oversized racks to be discovered, we're there and on the hunt, cameras at the ready. But where are the very best tits? What country, continent or region yields the most and biggest? Let us know what you think. If you have any firsthand stories to share, please give us the details. You'll be doing your part to promote greater world peace and harmony, and won't that feel good?

Questions

Plump vs. thin: the debate

If you read our letters section, you've seen the debate about slim chicks with big tits versus chubbier babes, also with oversized racks. Do you have a preference, or are tits just tits?

We get letters!

After our blog on big tits in the workplace, we got a lot of letters from guys who said they can relate. But some interesting comments came from W.S. of Austin, Texas. "What about big boobs in the college classroom? They're everywhere! I love them, but my grades are slipping badly. I can't concentrate. I should change my major to Boobology." Does anyone else have a similar problem? Please, let us know. Email your responses to phillipsg@score-group.com or mail them to: *Voluptuous Blog*, 1629 N.W. 84th Ave., Miami, FL 33126.

**"Look out,

Veteran *V-mag* model, Lilith, is certainly no stranger to our regular readers. She's been in the magazine several times in the past few years, plus she has given us some of the best XXX video performances ever. With no signs of slowing down, she's back and looking even better than ever, but with the same great boobs.

Hailing from middle America, this St. Louis, Missouri, girl says she's a lot like the typical girl-next-door, with a few obvious differences. "I don't know what neighborhood you're from, but chances are good that the girl-next-door hasn't performed in some of the best-selling sex videos ever made," she said with a laugh. "But, I guess you just never know. Truthfully, I am a regular girl who loves to have fun and live life to the fullest. That also includes having a lot of good sex as often as I can."

"I used to think that having big boobs was not a good thing," Lilith said. "When they first started growing I wasn't used to all the extra attention the boys were giving me. I felt like my tits were all they were interested in. I thought the only reason they even wanted to talk to me was because I had large breasts. That was true with some of them, but I ended up having a couple of long-term boyfriends who were very good to me. Sure, they loved my boobs, but I think they loved me, too."

Debutante LIFE

Spoiled rich chicks make the best fucks

Fiction by Bryan Berg
Illustration by Otis Sweat

Billy Sharp didn't choose the girl because of her intelligence. Loud and obnoxious, she was the type of gal who drank her way through high school, fucked her way through college, and never figured out what came next. She never had to. Still, six months on the road can give a man a bad case of the blue balls.

Sometimes, banging a set of big titties is enough.

"Happy birthday, Erica!" one girl said.

The other chimed, "You don't look a day older than yesterday!" Erica's girlfriends cackled over cake and coffee. They were no brighter than she was, but they gave Billy all the information he needed. Seated nearby in some dusty, small-town bar and grill, he learned that Erica was single, secretly despised her friends,

SWEAT

and worried about loneliness and wrinkles. A top salesman for five years running, Billy waited for an opening before he shed his wedding band and abandoned his drink on the bar.

"I understand we have a birthday girl!" he said in his fullest, most confident voice. "Would you believe it, it's my birthday too?"

Years on the road teaches a man many things. Billy acted surprised at Erica's age, kindly snubbed her friends, and spoke with down-home eloquence. He had Erica out the door before his abandoned martini even had a chance to begin turning warm.

"I promise girls, I'll call you in the morning!" Erica called over her shoulder as she headed out the door.

Yeah, whatever.

Outside, Erica asked Billy what he did for a living, and he replied that he sold Yellow Page ads.

"That's stupid!" Erica said as she climbed through the door of his Lexus. "I get my phone books for free. They give them away!"

A former sorority girl, for sure, Billy thought. Still, there's something special about a pair of natural, DD-

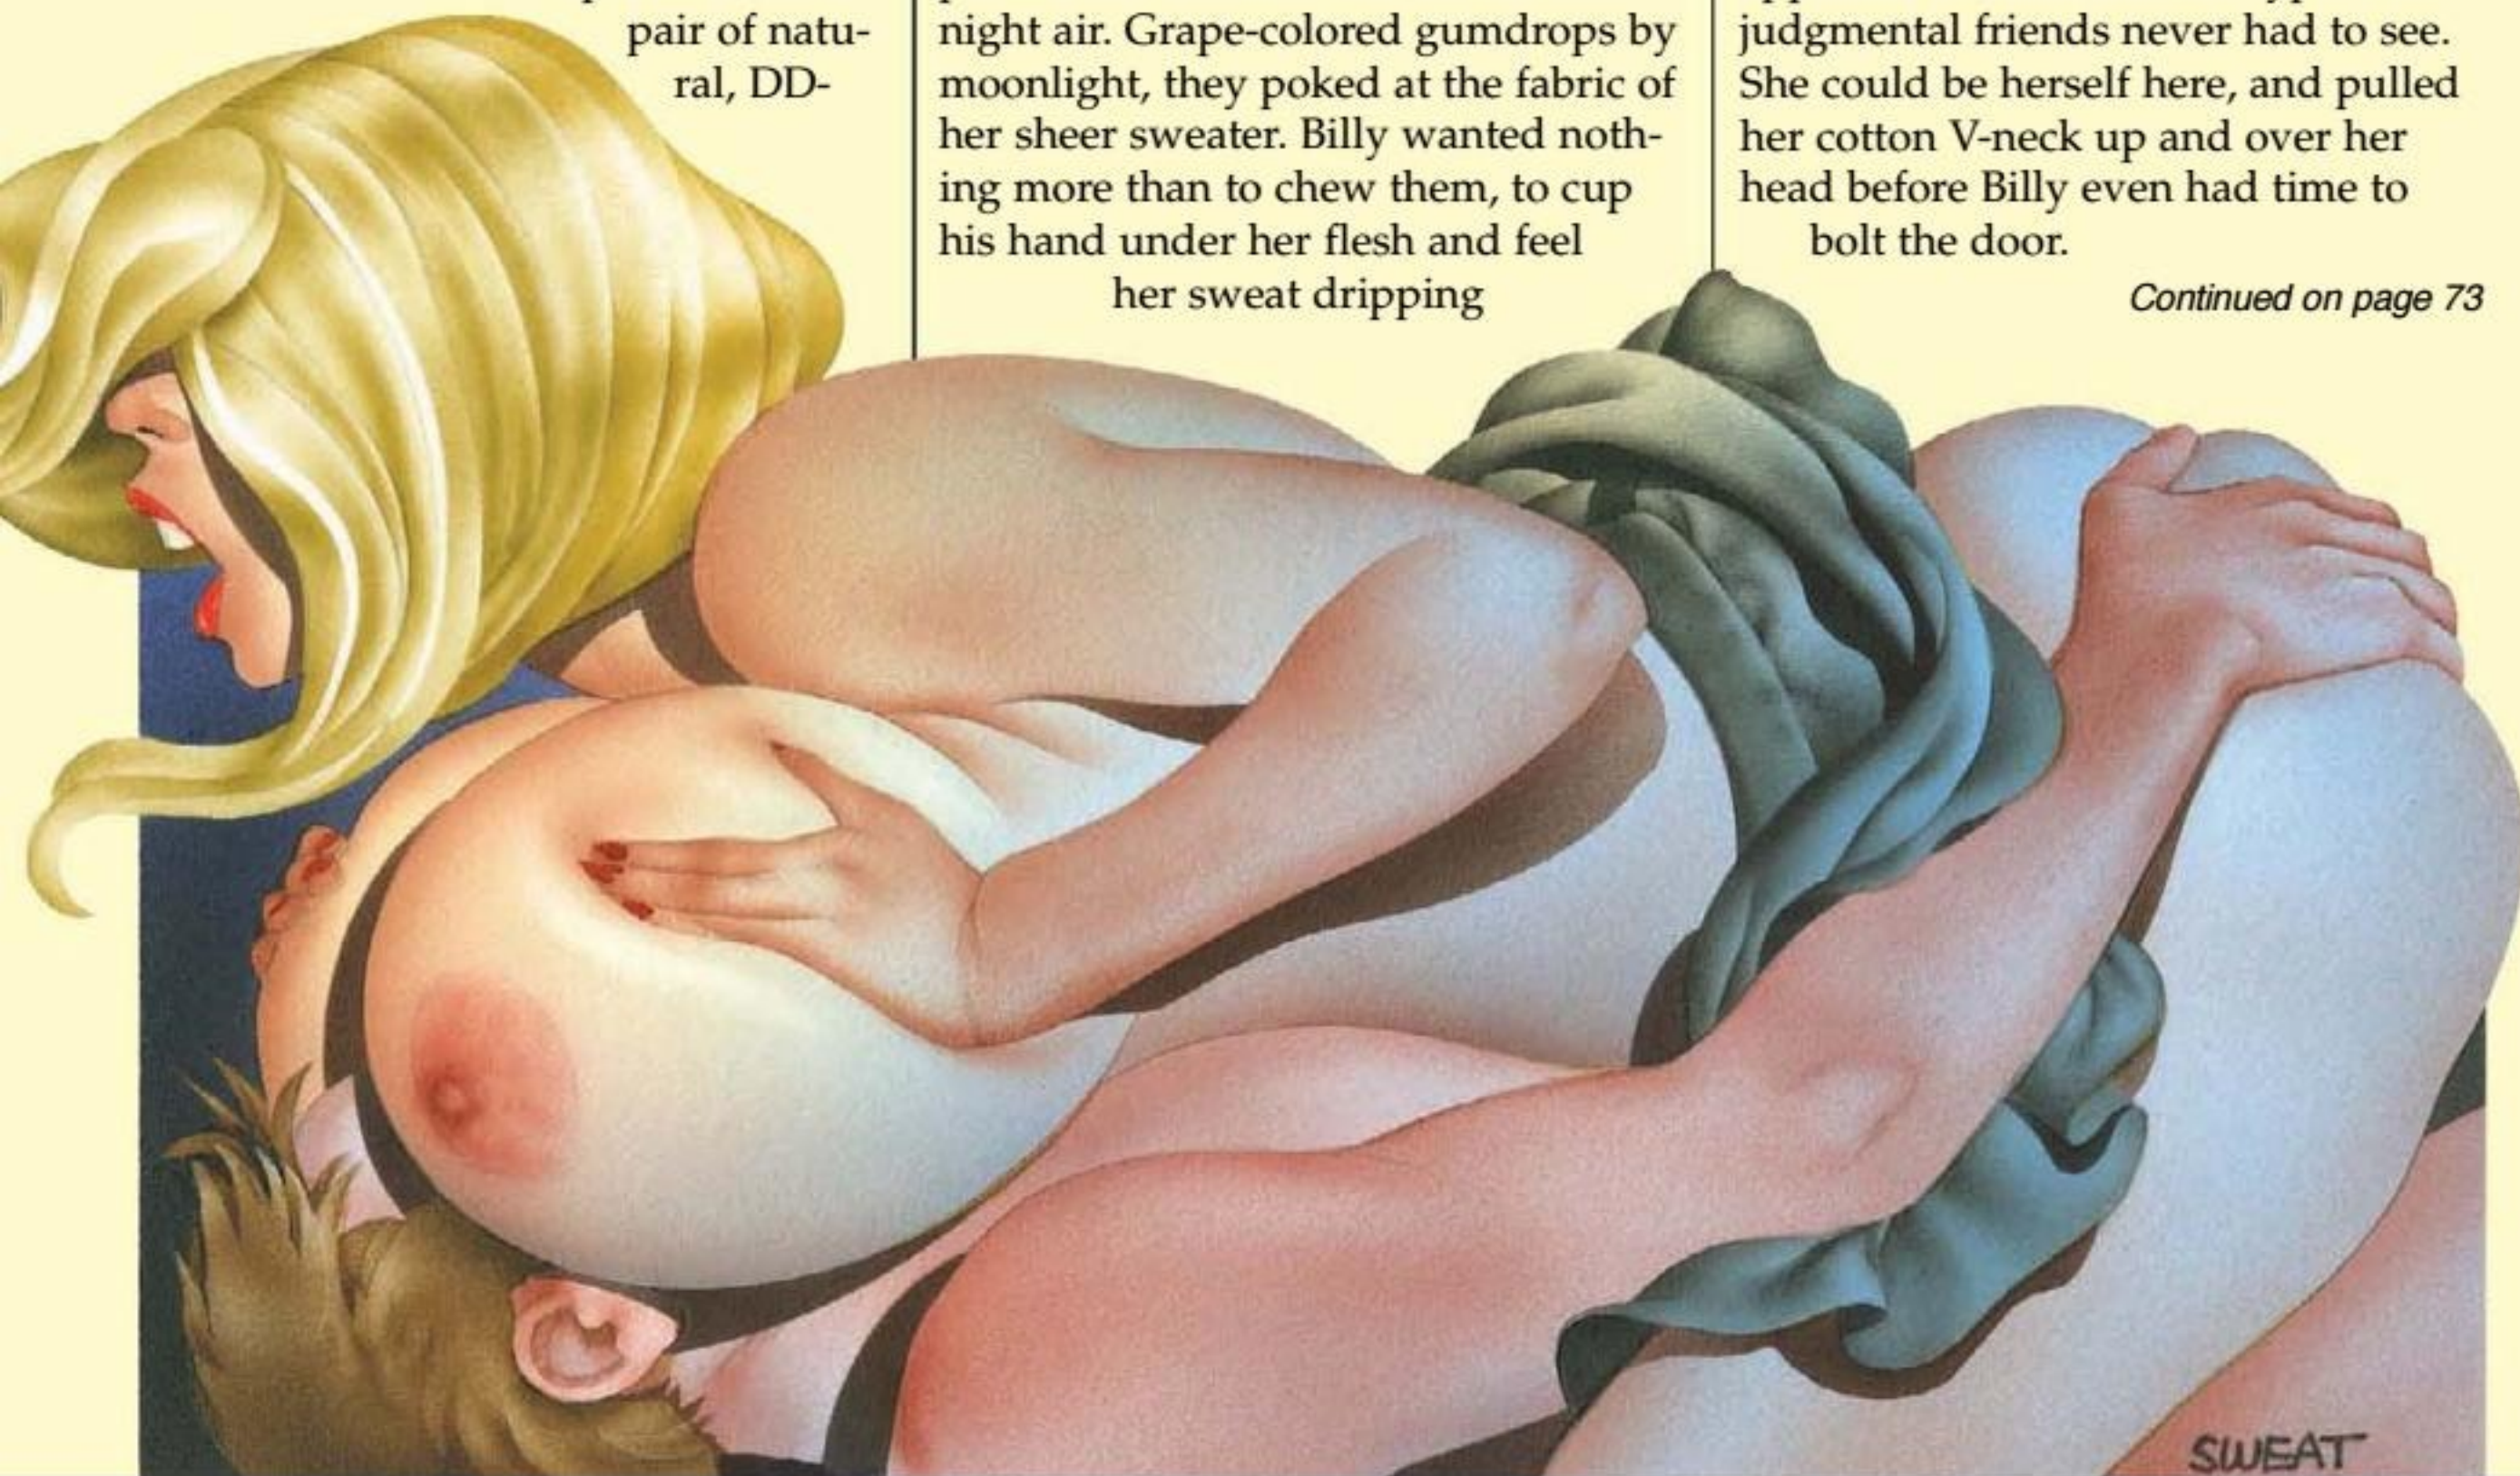

whoppers wrapped tight in white cotton without a bra. Erica's nipples perked the moment she hit the cool night air. Grape-colored gumdrops by moonlight, they poked at the fabric of her sheer sweater. Billy wanted nothing more than to chew them, to cup his hand under her flesh and feel her sweat dripping

from her massive melons. He complimented her hair as he drove. Erica repaid him by saying that his tie looked stupid. "It's so way out of date," she said. "Like, do you wear it when you listen to M.C. Hammer? Or are you more into Backstreet Boys?" Erica squeezed Billy's thigh even as she mocked him. She was that kind of girl—the kind who toyed with her dinner before she sank her teeth in. Billy kissed her at the first stoplight, rubbing her tits through her shirt until her nipples seemed about to explode. He liked it when she gasped, her body shuddering involuntarily until the light turned green.

"I can take my tie off," he told her, leaving her to pant as he turned into the parking lot of his motel. Erica's fussiness departed the moment he had her alone in his small room.

Some people think that small town princesses want champagne and romance. Billy knew they really wanted to be treated—and even loved—for what they truly were. Sixty-dollar rooms with cracked tiles and leaky faucets appealed to Erica and her type. Her judgmental friends never had to see. She could be herself here, and pulled her cotton V-neck up and over her head before Billy even had time to bolt the door.

Bunny

The Beach Boys sang that they wished all girls could be from California, and that was long before anyone laid eyes on this Southern California babe with her JJ-cup tits and more curves than the Pacific Coast Highway. We're still amazed that there are guys who don't appreciate a gal with a fuller, more womanly figure, but Bunny De La Cruz certainly knows there are plenty who do. She dances at a nightclub where most of the featured entertainers are built like she is. Like V-gals!

"I've been a dancer for a few years, and I'm learning that modeling and dancing have a lot in common, but plenty of differences, too," Bunny said. "As a dancer, I get an immediate reaction from the audience. I know right then that they like me and my moves. When I'm being photographed or perform for a video, there is no audience. I won't know until much later if I'm doing it right. I feel like I am, but I like having guys cheering for me. It's a great ego boost and makes me want to do it even better."

Sexual Orientation: "I'm bisexual, so I often enjoy sex with other girls."

Bunny stars in an all-new hardcore DVD, *Hooter Hospital*, and said her scene is the hottest thing she's ever done. "There's no doubt about that," she said. "I knew when I was given the opportunity to get into modeling and move my career along that way, I wanted to do full hardcore fucking as soon as I possibly could. When filming for *Hooter Hospital* started and I was asked to be in it, it really was a dream come true. I play a home healthcare nurse who calls on a studly patient and fucks him." Look for a preview soon in *V-mag*.

Kitty Lee

Our horny hearts were ripped nearly in half a few months ago when we heard that Kitty Lee, one of our favorite V-gals ever, had decided to retire from modeling. But, her plan was thankfully short-lived and she was back in our studios with an entirely new perspective. "I didn't think I would miss this," she said. "But I was so wrong. It didn't take long until I was ready to return, and now I know I'll never want to stop."

With a body that was made to fuck, Kitty has done more hardcore layouts in *V-mag* than solo pictorials like this one. "When I first got into modeling, I was asked if I fucked as good as I looked," she said. "I couldn't wait to have a hard dick inside me in front of a video camera, so doing boy-girl hardcore was as natural as waking up in the morning. I felt like I had really found my specialty and from there I couldn't get enough of it. I'm the same way at home. I love to suck dick and fuck all night, so I do."

my swim trunks. Damn, those were good times.

Public nipples

How important are nipples? To me, a chick with a great rack is even greater when her high beams are on. My eyes are drawn straight to an oversized pair of funbags anyway, but when the nipples are poking out it's like they're screaming at me, "Hey, look here!" I can't help but obey.

Women are self-conscious about their boobs, anyway. At least they act like they are and pretend to not like it when we look at them, even when they display them proudly. Most women I have known with protruding nipples said they wished they didn't have them. They said it drew even more unwanted attention to their tits. I was involved with one chesty wench who even wore padded bras. I asked her why, with a chest as ample as hers, would she want extra padding? She said it kept her nips from showing so much. She was right, but under perfect conditions, her spigots refused to be tamed and still showed through, God bless 'em.

Besides nipples that show through a chick's blouse, do you have a preference when they're naked? I've always liked the darker ones myself. Not that I would refuse or ignore a nice set of pink nipples, but darker ones have always been extra special to me.

What kind do you like? Let's get a discussion going here.

Is tit-fucking required?

I know this is tantamount to sacrilege around here, but I'm not a huge fan of tit-fucking. I love big tits. I love to play with them, kiss them, suck them and do just about everything else with them, except fuck them. Am I crazy? Maybe I am, but that's one of the great things about life. We can be as crazy as we want to in our own bedroom (or someone else's, as long as they don't mind). I don't even see the allure of tit-fucking in the porn I watch. But obviously a lot of you out there do. So, please let me know what it is about tit-fucking that you think makes it so great.

Don't misunderstand me. I've done it and it felt really good. But if I had to

Christy Marks

There are a few names in the world of big boobs that stand out as much as their massive chests. Names like Linsey Dawn McKenzie, Chloe Vevrier and Nadine Jansen. Add another to that impressive lineup...Christy Marks. Although she's been modeling for less than a year, Christy is making big waves with her expansive rack, slim body and pretty face. "It's something I feel I was born to do," she said. "I'm built like this for a reason and it took me a while to figure out what the reason is, but this is it."

Like most *V-mag* models, Christy started with solo photo shoots, then did a couple of solo videos which have become some of our best sellers ever. Now, she's finally moving up to full-on, boy-girl XXX. "It was a steady evolution," she said. "I knew I had the body and boobs to be successful, but I wanted to take it one step at a time. My first appearances in *V-mag* and *SCORE* were popular, so then I did the solo masturbation videos, which were also hits. Now, I'm doing scenes with some of your gorgeous guys and it makes me wonder why I waited this long. But I'm glad I did anyway. My boldness is growing as I go along."

What's next for Christy? "I want to keep doing a wide variety of things," she said. "Now that I'm fucking on camera, I want to keep doing that while still doing solo photo shoots and videos, too. I'm getting more fans now, but I know that not everyone likes all the same things. I want to give something to everyone—hardcore for those who like it and even step it up a notch to doing threesomes and other, hotter things. But I'll still do solos for the guys out there who like that stuff. I want to please all my fans."

Emily Anderson

It's been more than two years since we've seen Emily. Why so long, you ask? Because she's been one busy girl. "You know how time flies by so quickly when you have a lot to do," she said. "That's how it's been for me. I still work as a dispatcher and I've gone back to school, too. It feels so good to be modeling again."

It's great to stay active, but has Emily had time for her favorite activity? "You mean sex? I'll always have plenty of time for fucking," she said. "A good fuck session relaxes me and energizes me at the same time. I feel at my best when I can get laid a few times throughout the day. First thing in the morning is the perfect way to start the day. A quickie at lunch peps me up for the afternoon and a nice, slow screwing at night relaxes me."

A full-page photograph of a woman with long blonde hair, posing nude. She is looking directly at the camera with a neutral expression. Her right hand is resting on her pubic area. The background is a green wall with a blue shelf on the left and white curtains on the right.

Emily's schedule of getting fucked three or more times a day sounds ideal, but does she actually manage to pull it off on a daily basis? "No, not every single day, but more often than not, really," she said. "If I can't set myself up with enough lovers to meet my demands, I always have my faithful dildo. It's ready and right there when I need it. It's never too tired or not in the mood. It cares about my needs and not its own. It's damn close to perfect. But, I do love to have my tits coated with a cumshot, and my dildo can't deliver that."

TALKIN' TITS BLOG

Continued from page 44

choose just one or two sex acts to do with a woman, tit-fucking would fall to the wayside behind getting a blow job, fucking her pussy or even having her jack me off. So, come on, guys. Try to change my mind.

A dangerous situation

This blog has looked at several scenarios over the past few months. We talked about what to do if your best friend has a hot, big-boobed, teenage daughter. We've talked about how to deal with the jealous boyfriends of a top-heavy chick, the kind who wants to kick your ass just for giving their girl an appreciative glance.

But here's a situation that can be one of the most dangerous you'll ever encounter in your entire fucking life. Your wife or girlfriend has a friend with a killer rack, much better than your woman has. Even worse, your woman wants you, as a couple, to constantly get together with this friend socially. How are you supposed to not look at, fantasize about and even salivate a little bit over this chick and her heavenly hooters? It's just not fair.

All I can say is, I've been there and I'm going to let all the rest of you learn from my experience. It's okay to sneak a quick look every now and then, if you can manage to be discreet about it. Get caught taking a long, hard stare and you'll be in deep shit with both women.

Fantasize about this other chick. Dream about her when you jack off. Hell, imagine it's her when you fuck your woman. Women want to own and control all of our thoughts, but too bad for them. THEY DON'T. Our fantasies are our own business and if you want to fuck her best friend, do it in your mind, but in your woman's pussy. But, here's the key. KEEP IT TO YOURSELF! Did you get that? Don't tell anyone and you'll be home free. Don't tell your woman's friend and for God's sake NEVER tell your woman! Treat this other woman like one of the guys. Be nice to her, but not too nice. Don't ever come on to her, no matter how drunk you both are. Keep your lusty thoughts locked away where they belong, in the safety of your own head.

Rachel

One of the greatest things about *V-mag* models is that they are real women like you might meet any day of the week. They might be your waitress at breakfast or the clerk at your office supply store. They might be the receptionist at the doctor's office, or the woman who brings their car to your shop for repairs. Or, in the case of Rachel, they could be the teller at your bank. Born in Kingston, Jamaica, but now living in London, she's the last person you'd expect to see in *V-mag* if you saw her at work. "We have a strict dress code," she said. "But I always push it right up to the limit and sometimes even a little beyond."

Appearance: March '05

"At the bank I always deal with the business customers, which is great," she said. "Most are very handsome and successful men who have a lot of money. I'm not all about wealth, but money makes these men more confident, and that makes them more sexy. I fantasize about several of them who come in often and I'm disappointed if they miss a day. I go home and masturbate while imagining them fucking me."

-Johnny Rod

What do guys who fuck models for a living use to jack?

The all-new Monkey Spanker, of course. It's the latest and greatest thing in jacking from Britain where it's become the No. 1 selling jack aid. The Monkey Spanker is guaranteed to deliver super-strong orgasms. Hear what porn stud Johnny Rod has to say about this amazing new male masturbation aid.

SCORE: So, let's get right down to it, Johnny. Is this just another man-vibrator gimmick? We've seen those before. They usually aren't as good as advertised.

Johnny: No, the Monkey Spanker is the best jack aid I've ever used. I use it between shoots to keep my cock stiff and ready for action. I'm not exaggerating when I tell you that it is better than the real thing!

SCORE: Come on! You spend your days with your cock in some of the

DEBUTANTE LIFE

Continued from page 30

"Do you like them?" she wanted to know. "Are they...you know, big enough for you?"

"They're big," Billy said, only momentarily taken aback. Erica wore her jeans tight above the waist, the way girls did a decade ago. Flesh like cookie dough flopped from her belly and over her beltline. Her tits sagged too, not so much from age but by their sheer weight.

Billy lifted one of them to his open mouth. That single boob weighed as much as a gallon jug of milk. Her skin seeped between his open fingers. Her flesh tasted salty and good. Billy's nose bumped against her rubbery, pink nipple and he looked up and into her eyes.

Erica's question had been sincere. She wanted his approval, and Billy told her, "They're gorgeous."

Her blue-eyed smile faltered. "But ... are they perfect?" "Perfect? No," he smiled. "But almost."

Her nipples got harder. Areolae, once as big around as a woman's fist, constricted, color deepening as her nipples grew. Billy sucked like a hungry infant while Erica unfastened his pants. He felt her hands tremble nervously as she undid his belt and lowered his zipper.

She got his cock out and squeezed it. The longer he sucked her nipple, the harder she gripped his swollen dick, until he moved her onto the bed. She gasped with boldness and suddenness of the move.

Thoughts of home and a frigid wife evaporated in an instant, gone like his pants and his shoes over the bedside. Billy lived in the moment. He hadn't felt a firmness like this in years. He salivated on the girl, squeezing and pulling at tit-flesh too big to get his hand around. Erica liked it. Eyes closed, she moaned and moved her head from side to side, reaching blindly and coaxing him to tug harder on her massive tits. Her voice rose higher and higher. Billy licked until every inch of her boob flesh glistened with saliva.

"Tell me they're gorgeous," she pleaded. "Tell me how much you like them."

"They're beautiful," Billy replied,

voice muffled.

"But don't you want...don't you want to fuck them? Say you want to fuck them!"

No response. Billy was too busy licking the sweet, moist underside of her boob where the sun never reaches. Erica was in a panic. She asked him again to fuck her tits, but this time, she said please. He smiled slightly at the thought that he was taming this beast, one tongue stroke at a time. It was time to give her what she was so desperately begging for.

Her body twisted. Gobs of pink/white flesh undulated with her every move. Billy straddled her, his fat prick leading the way. Erica's titties flopped over her sides, yet so much tit remained that her cleavage still ran deep and tight, like the flesh just kept coming out of her. Billy's balls grazed the warmth in the center of her chest. She spat on his cock for lubrication, and he drove it up through that deep valley of cleavage, relaxed a moment, then drove it in again.

Fucking never felt so good. At least not in a long time. Billy thrust, bare assed over her belly, his balls skimming her hot flesh. His cockhead turned a deeper purple as it bounced off her chin. Her body felt like a tub of Crisco left in the hot sun.

He rode harder until her boobs bounced in a steady rhythm. She liked that, and her red lips formed a big O to accept his swollen cockhead with each forward push. She reached down to her dripping snatch and began rubbing frantically, her blue eyes fluttering. She cooed and squealed, and Billy felt a throbbing in his nuts. His cock expanded. He knew he would be cumming all over her after just a few more strokes.

"Oh, Billy!" she said. She clutched his ass with one hand, while the other continued furiously massaging her cunt. Her titties bounced up to her cheeks as her face turned a fiery red. She screamed. Billy plunged into her tits one last time and doused her chin and lips in layers of thick, white jizz. He had a lot of it in reserve. It'd take more than a couple of squirts to release what had built up. Erica's tits were still bouncing and quivering as streams of cum rolled down her neck, into her ears onto the sheets.

Billy Sharp thought he knew a thing or two about people. You meet just about every kind of person on the road, seven months of the year.

High school cheerleaders wanted boys with nice cars. Sorority girls wanted a guy with rich parents. And women Erica's age? They wanted a man to pay the mortgage! But that was the main guy—the steady, the husband—the chump. On the side, every woman wanted a buck to make them feel like the hottest bitch on the planet. In short, they wanted it all.

Billy didn't ask for a phone number and he didn't offer one, either. Erica took a steamy shower and resumed belittling him the moment she stepped out. She made childish jokes about his name and occupation, but Billy took it all in stride. He offered her a ride home, but she preferred that he take her back to the bar instead.

"I don't want my friends to get the wrong idea," she said, and all Billy could do was shrug. He didn't give a fuck what kind of idea her friends got. They already knew what a slut she was.

His round-the-state tour ended two weeks later. He had to face his wife, and either tell her that he'd cheated or carry it with him. Neither seemed like a pleasant option. He truly liked her. She was a partner and a friend—just not the hot fuck-object every man needs from time to time.

Billy got home early to find her in bed with another guy. They weren't fucking. They'd already finished. They were sharing coffee and a magazine and laughing together, and that seemed so much worse.

For all his insight into human nature, Billy had missed the obvious. His wife needed more than just a friend. She needed a partner. Maybe they'd be able to laugh about it one day, but that would take a lot of time.

Billy couldn't help but feel like karma had just given him a very hard kick right in the balls.

Sales had become tougher and tougher to come by. Billy, the district's top salesman for the past two years, was in a slump.

"I'm sorry, Mr. Sharp, but we --"

"Please, there's no reason to be so formal. Call me Billy!"

"Yes," the receptionist said. "Billy.

I'm sorry, but we don't need yellow page advertising. Most of our clients come from word of mouth."

"But that's just the thing!" Billy cried. "Yellow pages are THE 'word of mouth advertising'--!"

Persistence. That's what sales boiled down to. And a belief that whatever bullshit he spewed really had meaning. A year had passed since Billy met Erica, and he'd made his annual trip back to her small town. Not much had changed there, but there were plenty of changes for Billy.

Home had become lonelier than the road, and even a friendly, no-contest divorce soon turned sour. The receptionist didn't look so friendly either. She frowned at him as though she'd found a turd on her desk, and she called him Mr. Sharp again.

"Mr. Sharp, we simply have no need for..."

She stopped in mid-sentence. Another woman had entered the room, all red lips, blue eyes and boobs bouncing like a pair of wildcats trying to break free of her sweater. Billy didn't need to reintroduce himself. Erica remembered who he was, and she smiled pleasantly as she approached.

"Still selling ads, I see," she said.

Surprisingly, her tone was not the least bit arrogant as she leaned over the receptionist. "I work here by the way. I don't own the place-yet."

Billy never would have thought that she did. Still, something about her had changed. Billy smiled back at her and said, "Well then. Who should I talk to about advertising?"

"Jane Stowe. But she's out at the moment. Maybe after lunch..."

Erica's voice trailed off, and something glinted in her eye.

"Tell you what, Mr. Sharp. How about we grab a bite to eat. I'm sure Ms. Stowe can wait until we settle our, uh...our unfinished business."

Billy nodded, stunned. Gone was the woman's false arrogance, name-calling and childish games. She had humility now, a modesty that brought with it a certain poise. Lunch, he soon found, meant a drive back to her place. Billy rode in the passenger seat of her little Dodge Neon, engrossed by the way her white, industrial strength bra shone through the fabric of her red sweater. She brought him to a tiny duplex, little more than a shanty, and

Katy

Following in the footsteps of such Russian, big-boobed stars as Marilyn Sakova and Anna Song, Katy says she's glad the Cold War ended so she can show off her boobs to a worldwide audience. "I don't know Marilyn or Anna personally," Katy said. "But I am very much aware of the groundbreaking things they've done. They've opened the door for many more women like me."

"You may have heard that Russian women love sex and want to fuck all the time," Katy said. "Let me assure you, it is absolutely true. I know that if I have to go more than a day or two without some good, hot sex, I just don't feel right. It's like my system has become dependent on it, like an addiction but in a good way. It's one of life's basic necessities. It's a healthy stress reliever and is good exercise. I always sleep good after I've been fucked for a while and had an orgasm. Then I cuddle with my lover and drift off to dream-land, knowing that when I wake up I'll have my pussy filled again. Morning sex is the best because I wake up feeling very horny."

"I'm very bisexual and can get off equally well with a man or a woman," Katy said. "There have been many times when I have had sex with both a man and woman together, and that's always the best possible experience. Of course, there are those rare moments when I find myself all alone and needing sex, so I have some sex toys I do love to play with. I would rather have a real lover, but going solo is not so bad. Only I know the very best ways to please myself and make myself cum, so I'm actually the best lover I have."

DEBUTANTE LIFE

Continued from page 76

Erica apologized on their way to the door.

"It's not much," she said. "But it's what I can afford."

"No problem. I rent a small apartment these days, too," Billy confessed.

"Divorced?"

"Yeah. How'd you know?"

"Just an educated guess," Erica told him. "You know that cheaters never win, don't you?"

Just a little bit of her old smartass attitude was creeping back into her voice.

"Yeah, I've heard that one, but I caught her cheating," he said. "She still doesn't know about you."

She swung the door open to a room that remained dark despite an abundance of little windows. Laundry—mostly white towels and undergarments—lay scattered across the second-hand furniture, and Billy noticed a large, plasma-screen television.

"A gift," Erica said. "From an ex-boyfriend. Here, let me show you my room."

Sure. Lots had changed in a year. Erica didn't make the first move out of a need for acceptance. She came at him hungrily, kissing his face before she peeled her sweater away. Her nylon bra was so heavy-duty, it seemed like it was made of titanium. It suspended her mammoth boobs like awnings over her belly, and Billy kissed her visible flesh while she unfastened his tie and his shirt.

Lust overwhelmed him. He wanted to feel her naked skin, greasy from the heat, rolls of feminine flesh pressed against his more muscular body. He held her shoulders, then moved his hands around her back to her bra strap. No less than five clasps held that massive bra to her body. He lifted her arms, pressed and pulled to get the thing unhooked, while dousing her with kisses.

Nylon fell away, snapping like rubber bands. Erica's breasts popped out against his chest, and Billy felt his cock instantly turn to steel.

"I want you to fuck me this time," she said.

Her lips were hot, her eyes serious

and maybe even a little stern. So much had changed. She was confident, guiding him to the bed where she pushed him onto his back.

Billy's eyes filled with her titties. They rocked back and forth as she unfastened his pants and pulled them down over his throbbing man-muscle. A smile on her lips, she leaned over him. She maneuvered herself and held her whoppers open wide, the cleavage like a giant, gaping mouth. Sweat trickled down between her heavy hangers, and she pressed her tits together over his swollen cock. Hot flesh consumed every inch.

Billy was groaning when Erica said, "Did you hear me, Billy?"

"Huh?"

"I said, we're gonna fuck."

"Yeah," Billy replied, head back in her pillow. He'd have agreed to anything at that moment as Erica tit fucked him, sliding the full length of her steamy tit tunnel on the full length of his hard-on.

She crawled up his body. His cock was still between her tits, held so tight in her cleavage that he feared she'd rip it out by the root.

"Easy there, girl!" he said.

Erica completely ignored him, planting her knees beside him as she hiked up her long skirt. Billy smelled her wet pussy. The odor was pungent, like someone who had not fucked in a long time. Mostly, though, he smelled her flesh in his face. A powdery scent, mixed in with sweat and lust.

He lifted her boobs and released them, letting them flop over his mouth and chin. He could smother in there, easily, licking and sucking like a wild animal. He was so consumed by these wonderful masses of mammalian tissue, that he only vaguely realized Erica had started to fuck him.

"Don't stop!" she demanded. "Play with my tits!"

"Mmmph!" was all Billy could say. How much tit meat could he fit in his mouth? More than he knew! But even with his mouth filled to bursting with her raw meat, Billy sampled only a bit of what she had to offer.

He slapped her titties side to side when she asked for more. Her nipples brushed his nose, the size of thumbs and quite hard. He nibbled them, and she shrieked. She began to ride him harder, more wildly than before.

"Bite them, Billy! she shrieked

Pinch them-harder! Oh, harder!" Harder? Shit! The chick rode him like she wanted to pound nails with his ass! Her tight cunt felt wet and good and her titties bounced as he tried to hold on. He couldn't. He let go and just let them pound his face as she rode. He felt like he was being brutally assaulted, but it still was like a slice of heaven.

"I'm gonna cum," Erica moaned, "Oh shit, I'm so close."

His cock throbbed deep within her. "Billy...! Billy, I'm gonna --!"

She grabbed his neck, wrapped her arms around it. Her body wrenched and her tits pressed hard into his face. He couldn't breathe, and his cock kicked as her pussy tightened around him like a fist. Grabbing her ass, Billy felt her ebb just a little, then thrust one more time. Her tight grip on his well-fucked cock was more than he could stand. He exploded. He shot a stream of hot cum right up into her, filling her with wave after wave of hot juice.

Erica howled with pleasure, tensed her entire body, then went limp, collapsing on top of him. He wrapped his arms around her and held her that way for several minutes.

Billy Sharp, traveling salesman and divorcee, wiped himself on her sheets and dressed. Erica, former bitchy debutante, now with an unexpected new attitude, didn't say a word as she refastened her bra.

Soon, she led him out to her car. They rode together in silence back to the boutique until Billy finally turned to her. He smiled at her tits, pressed into the steering wheel, but her eyes stayed on the road.

"You've changed," he said. "And for the better. What happened to you this past year?"

Erica dug at her sweater, fixing the cup of her bra with one hand.

"Mostly...you happened to me," she told him. "After being with you last year, I realized that being a snooty cunt was not really me. It was kind of fun while it lasted, living on Daddy's money and not giving a fuck about anything or anyone else. But, I realized how wrong I was being and how, if I changed my attitude, I could be better. You made me rethink my life and who I wanted to be. Thanks. After today, I'd say we're even."

And that was all she had to say. She just kept smiling the entire time.

WHERE HAVE THEY GONE?

Dear *Voluptuous*,

I started reading *Voluptuous* in the late 1990s and I have kept every issue I ever bought.

Looking back through them makes me wonder what ever happened to some of my favorite models. Carol Brown was far and away one of the best *Voluptuous* models of all time. She was even a Model of the Year, but suddenly we didn't see her anymore.

Same thing with Via Paxton. She was also a Model of the Year winner, then "poof," she's gone. I can't help but wonder why.

Heather Michaels was a blonde bombshell who was nothing short of perfect, but what is she doing now? I had been wondering the same thing about Samantha until she made her comeback last year. That was great.

I understand a woman won't model forever, but these ladies were in their prime, so why retire?—C.G., Edon, Ohio
 Dear C.G., We can't answer all of your questions, but here's one you'll like. Carol Brown recently contacted us and will be back in the pages of *Voluptuous* soon. Even better news is she looks as good as ever. We're as excited as anyone.

Carol Brown has been absent for a while, but hang on, guys. She's coming back!

HOW CAN I HELP YOU GUYS?

Dear *Voluptuous*,

I have been an avid *Voluptuous* reader for a few years now. I really adore big tits and your magazine is the best place to find them on beautiful women. There are other magazines out here that have chicks with big boobs, but most are so ugly it really detracts from their overall look, even if their tits are nice and big.

I have kind of a predicament. I work with a lady who would be just perfect for *Voluptuous*. She has huge jugs, at least E-cups, probably even bigger. She's also very attractive in the face and body, with long blonde hair and blue eyes. She's 24 years old and besides having perfect tits, she has a nice round ass, fairly slim waist and an outgoing, fun personality.

As far as I know she doesn't have a steady boyfriend, but she does date quite a bit, but mostly the guys are jerks, to hear her tell it.

What can we do to get her into *Voluptuous*? I'll gladly give you her email address and phone number if you want to contact her about it. Since we work together, I'm afraid of getting into trouble if I approach her directly myself.

I'm dying to see her naked, and having her in *Voluptuous* may be the only way.—J.K., Keokuk, Iowa

Dear J.K., This a question we get asked from time to time, and it's difficult to answer. In these politically correct times in which we live, it's very risky to approach a stranger and suggest that she pose nude for a magazine. It's even more risky to suggest it to a female co-worker. With a stranger you might get a dirty look or a slap across the face. With your co-worker you could very easily lose your job, all for trying to pay a lady a compliment. Go figure. As for us contacting her directly, that's something we don't do. We're in Miami, she's in Keokuk. How are we supposed to explain that we know she even exists? She would be bound to smell a rat (that'd be you, buddy!) Maybe you could enlist the help of one of her female friends. We've found that when a woman tells another woman how great she looks and she should be a model, it goes over much better than when the same thing comes from a guy. Try to somehow subtly let your co-worker know about our website, BeAScoreModel.com. Many of our models come to us through that site, after they see how glamorous and rewarding modeling for us can be. Thanks for trying to help us out. Hopefully this can work out good for all of us. But, whatever you do, be careful!

FLOWERY FUCKING FICTION!

Dear *Voluptuous*,

I work at a florist shop and your story called *Planting The Seed* in the March '08 issue really hit close to home. I have to admit I've never been as lucky as the guy in the story, a florist who fucked three hot chicks on Valentine's Day. But, that's what makes your stories so special, I guess.

I have been fortunate enough to meet some women through my job, though, and have gotten dates with a few and even had sex with a couple of them, so I love my job and the occasional fringe benefits I manage to earn.

Just in case you or your readers might think all florists are gay, think again. Plenty are, I'm sure, but I'm a pussy pumping son-of-a-bitch, no doubt about it. I look at my work as an art, but instead of paint or clay, my medium is flowers.—L.W., Arlington, Texas

A NEW READER'S REACTION!

Dear *Voluptuous*,

I have been reading men's magazines for more than 30 years now, so I was surprised to see *Voluptuous* at my local bookstore and even more surprised that I had never noticed it before.

I adore full-figured women with gigantic racks. The bigger the better as far as I am concerned, but they have to be real. There are plenty of women who have those big, fake beachball tits, but they don't appeal to me at all. I have been familiar with *SCORE* for quite a few years and have bought it a few times, but it's just not my favorite.

Models like the ones you have in your magazine are ideal, and I must say they are much prettier than most of the girls who are in the magazines of your competitors.

Now that I've found you, I'll look for you every month!—L.D., Lima, Ohio

Anna Song

Sexy Russian brabuster, Anna, says there's nothing like the feeling of soap and water all over her delicious body. "It's so nice to have that warm, slippery experience," she said. "It's very relaxing and the perfect way to unwind and relax at the end of the day. It never takes very long until my thoughts start turning to sex and how good it feels to cum. Then I play with myself."

Anna said bath time is much more fun with a partner. "Having someone in the tub with me is always better than being alone," she said. "They can reach places I just can't get to by myself. I love having my big boobs squeezed and played with and I get turned on by washing another person. If it's a woman, we'll soap each other's tits good. If it's a guy, I'll be sure to give his cock and balls a good cleansing, then suck him off."

One viewing of Anna's videos, *Climax With Anna* and the sequel, *Cum Along With Anna Song*, leaves no doubt that she is serious about sex. "I can't consider what I do in my videos as acting," she said. "They just turned on the lights and cameras and told me to do the same things I would do if I were at home alone. So, I played with my breasts, rubbed my pussy and used my dildo to make myself cum. The crew took a break but I didn't. It felt good and I didn't want to break the mood. They were surprised when they came back."

LILY VALENTINE WARMS UP A COLD DAY!

One thing is certain. Lily Valentine loves to fuck! This is evident by the fact that this is her third *Voluptuous* appearance and her second time doing hardcore. That's two out of three. "I'm from Canada and it's cold there so much of the year that we love to warm up with sex," she said. "Also, we have our French heritage and that makes us romantic and very horny. I told this guy to get out of the cold and into my hot pussy."

"I know some girls have a favorite sex position, but I honestly do not," Lily said. "My favorite position is the one I'm in at the time. Fuck me from behind and that's my favorite. Let me get on top and that will be my favorite. Bend me around sideways like a gymnast and pound my pussy good, and that will be my favorite. You get the idea. Whatever makes me feel good and makes me cum is the best position, and they all make me cum very good. I can tell you my favorite place for a man to cum, though. All over my big tits."

REYNA MAE **WILL STRAIGHTEN YOU OUT!**

**"Sometimes
you have to

who's boss!"**

Nobody likes getting into trouble with their boss, right? Don't answer too fast! What if your boss is Reyna Mae and she releases her frustrations by demanding that you suck her tits, eat her pussy, let her suck your cock and fuck her? Where do we apply? These photos are from the hardcore DVD, *Plump Desires*, and show Reyna Mae giving a poor employee an ass chewing, then giving him some ass!

"Plump Desires is me and the other cast members living out our fantasies," Reyna Mae said. "For a long time I dreamed of how cool it would be to be a boss and discipline a hot, male worker who had screwed something up. So my scene was my own fantasy come to life. I started by berating the guy and telling him how mad I was, but then I had at least a little compassion for him and said I'd let him off the hook if he played along with my horny plans. As you can see, he didn't protest too much against playing with my tits, filling my mouth with his dick and fucking me."
